Judith:

I thank you and all of our colleagues at Old Westbury for your continued support. Media coverage on our response to DeRussy has flushed out many crazies who make personal attacks on our union and its officers. Your action is greatly appreciated and should help in our quest to bring sanity and reason to the Board of Trustees.

Thank you.

Dear Bill:

As secretary of Old Westbury's Faculty Senate, I am writing to inform you that the faculty discussed the UUP resolution made after Candace deRussy's comments were published in Newsday this month. The outcome of our discussion follows.

At its February 15th Faculty meeting, the SUNY/Old Westbury faculty voted to endorse the UUP resolution, dated February 9, 2002, that condemns Trustee de Russy's comments about academic Black Studies Programs. The vote was 34-4-0.

Furthermore, at the same meeting, the faculty passed the following resolution by a vote of 35-2-1:

Whereas, Candace de Russy's research was lax in failing to note that the Black Studies program she attacks at SUNY/Old Westbury does not exist, although we agree that one should, we strongly support the UUP resolution.

Yours truly,
