Dear Dr. Butts:

At its session on November 17, 2016, the Middle States Commission on Higher Education acted:

To accept the Periodic Review Report, reaffirm accreditation and commend the institution for the quality of the Periodic Review Report. To request a progress report, due April 1, 2018, documenting further implementation of the assessment of non-academic units (Standard 7). The next evaluation visit is scheduled for 2020-2021.

This action is an affirming action with a request for a follow-up report. An explanation of this type of action is provided in the Commission's policy *Accreditation Actions*, which is available on the Commission's website.

For more information on submitting a follow-up report, please see Commission guidelines *Follow-up Reports and Visits*. The institution is obligated to make a full and honest disclosure in its reports.

If the request for a follow-up report includes Standard 3, the Commission requires that you include in or submit with the report the following data for the three most recent years: Title IV cohort default rates; USDE Financial Responsibility Composite Scores; and the status with regard to Heightened Cash Monitoring with USDE.

If the request for a follow-up report includes Standard 14, the Commission requires that you include in or submit with the report the following data for the three most recent years: 100%, 150%, and 200% normal time to completion graduation rates. For graduate-only institutions, please provide appropriate data on student outcomes such as normal time to completion rates.

Enclosed is a copy of the institution's Statement of Accreditation Status (SAS) for your review. If any of the factual information is incorrect, please contact the Commission as soon as possible.
